

Full-time Tuition and Fees for 2010-2011

Please refer to the back page of the student application to make sure you submit all required paperwork with your application.

If a class fills up, subsequent applicants will be placed on a waiting list. Students who are on a wait list should proceed through the normal application and testing process and will be notified by July 30 of a final enrollment status. If enrollment is not granted due to a full class, the application fee will be returned. However, if enrollment is denied because the student did not meet the application requirements or the student withdraws from the process, the fee will not be returned.
