Holding a spot for your student means that you have first right to the spot in a particular class once all the conditions for enrollment are met. Those conditions include but are not limited to on-time completion of admissions/re-enrollment forms, on-time payment of fees, and your child being academically qualified to enter that grade.

- **Returning students who do not meet the February 25 re-enrollment deadline will be subject to placement on a first-come first-served basis along with new student applicants.**
- **The Board is not able to provide scholarships for the 2010-2011 school year.**
- **Any Re-enrollment forms received after May 18 will be subject to a \$100 late fee.**
- **No student (new or returning) will be admitted after July 30 without the approval of the Head of School.**

New Students of Returning Families:

The Veritas Board would like to offer returning families the opportunity to hold a spot for a new student. This would allow families to ensure that all of their children have a spot for the 2010-2011 academic year pending final enrollment decisions.

For new students, please submit a completed **new student application** (available in the school office) with a \$75 application fee by February 25. Students must then go through the normal new student admissions process before payment arrangements can be made. Admission testing should be arranged through the school office. Class spots are only guaranteed after full acceptance has been offered and the enrollment contract and the enrollment fee are received back to the school office. (*Pre-K tuition is \$2690 and is not listed in the payment options because all pre-k applicants are necessarily new students. Payment will be arranged as noted above after final enrollment decisions are made.*)
